

Thomas C. Neibaur Letters

Sandpoint Idaho

May 18, 1917

Mrs. J. C. Neibaur

My dear darling mother your most welcome letter came to hand yesterday, also your money order. I sure was pleased to get them and the money sure comes in handy. I got grandma's letter today will write to her in a few days it sure makes me feel homesick when I get a letter from some of the folks altho it seems good to hear from you and to learn that you miss me. I sure miss you all and often wish that I were back home agin if it were not for my being so homesick at times. I would be perfectly contented.

In answer to your questions I will say I have all clothes I need I have three changes of underclothes, three pair of socks, two shirts, one O.D. uniform, two pair of shoes, one pair of summer pants and a hat and one pair of leggings so you see I am pretty well fixed for clothes. My suit and mackinaw are in Boise we left all our clothes in the state capital building mine are in a suit case with a fellow from St. Anthony.

We have to drill two hours every day from nine until ten and from one until two. I am not sure yet whether I will be able to get in the band yet or not but I think I will.

I had to leave Spokane but I am glad they sent me for I like Sandpoint the best.

Well I guess this is all I can think of to tell you this time so I will close with love to all and hoping to hear from you soon. I am

Your loving son
Thomas Neibaur
